

Prosecutor - Pan Tilt Control Head

General Specifications:

This Control Head is fully compatible with the entire line of Prosecutor Mobile Video Systems and uses the Prosecutor standard connectorization and visor mounting. It includes a larger size 5.6" TFT LCD monitor that is retractable and still viewable. For best viewing the monitor can be tilted down to any angle and panned right to left a full 350 Degrees. This allows viewing from the driver or passenger side and even to the front of the vehicle for DUI stops or video monitoring of interviews or playback viewing outside the vehicle.

- Full Stereo with Dual Speakers
- Interface to Lights, Siren, Brakes, Turn Signals and Ignition
- Backseat Camera Select Switch
- Zoom / Focus Camera Function
